## A BILL

To protect the Nation's law enforcement officers by banning the Five-seveN Pistol and 5.7 x 28mm SS190, SS192, SS195LF, SS196, and SS197 cartridges, testing handguns and ammunition for capability to penetrate body armor, and prohibiting the manufacture, importation, sale, or purchase of such handguns or ammunition by civilians.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the "Protect Law Enforce-  
5 ment Armor Act" or the "PLEA Act".

1 **SEC. 2. FINDINGS AND PURPOSE.**

2 (a) FINDINGS.—Congress finds the following:

3 (1) Law enforcement is facing a threat from  
4 handguns and accompanying ammunition, which are  
5 designed to penetrate police body armor, being mar-  
6 keted and sold to civilians.

7 (2) A Five-seveN Pistol and accompanying am-  
8 munition, manufactured by FN Herstal of Belgium  
9 as the “5.7 x 28 mm System”, has recently been re-  
10 covered by law enforcement on the streets. The Five-  
11 seveN Pistol is legally available for purchase by civil-  
12 ians under current law.

13 (3) The Five-seveN Pistol is capable of pene-  
14 trating level IIA armor. The manufacturer advertises  
15 that ammunition fired from the Five-seveN will per-  
16 forate 48 layers of Kevlar up to 200 meters and that  
17 the ammunition travels at 2,100 feet per second.

18 (4) The Five-seveN Pistol, and similar hand-  
19 guns designed to use ammunition capable of pene-  
20 trating body armor, pose a devastating threat to law  
21 enforcement.

22 (b) PURPOSE.—The purpose of this Act is to protect  
23 the Nation’s law enforcement officers by—

24 (1) testing handguns and ammunition for capa-  
25 bility to penetrate body armor; and

1           (2) prohibiting the manufacture, importation,  
2           sale, or purchase by civilians of the Five-seveN Pis-  
3           tol, ammunition for such pistol, or any other hand-  
4           gun that uses ammunition found to be capable of  
5           penetrating body armor.

6 **SEC. 3. ARMOR PIERCING AMMUNITION.**

7           (a) EXPANSION OF DEFINITION OF ARMOR PIERCING  
8 AMMUNITION.—Section 921(a)(17)(B) of title 18, United

1 mulgate standards for the uniform testing of projectiles  
2 against Body Armor Exemplar.

3 “(2) The standards promulgated pursuant to para-  
4 graph (1) shall take into account, among other factors,  
5 variations in performance that are related to the type of  
6 handgun used, the length of the barrel of the handgun,  
7 the amount and kind of powder used to propel the projec-  
8 tile, and the design of the projectile.

9 “(3) As used in paragraph (1), the term ‘Body Armor  
10 Exemplar’ means body armor that the Attorney General  
11 determines meets minimum standards for the protection  
12 of law enforcement officers.”.
